

HOW TO MEASURE YOUR HEAD

S-One LIFER

Small: 21"

Medium: 21.5"

Large: 22"

X-Large: 22.5"

XX-Large: 23"

XXX-Large: 23.5"

S-One KID

Small: 19"

Medium: 19.5"

Large: 20"

X-Large: 20.5"

- 1** Use a soft tape measure to measure the circumference (around) your head an inch (2.54 cm) above your eyebrows. Keep the tape level from front to back.
- 2** If you don't have a measuring tape, use a piece of string. Then lay the string out on a table and measure the length with a ruler.
- 3** If the helmet is a gift or you cannot measure the head, measure the inside of a current helmet or baseball hat they wear frequently.
- 4** Use the chart to the right to convert inches to centimeters to hat size.
